

Why Educate Together Second Level Schools?

1. **Rights of Families:** 10,000 primary pupils have a right to continue their education within the unique Educate Together ethos.
2. **Equality:** Our model of education empowers young people to strive for a more equal, cohesive and prosperous society.
3. **Excellence:** At second-level the potential of Educate Together's learner-centred and democratic approach can be fully realised.

Educate Together
Second-Level
Project

- There are over 10,000 children attending 56 Educate Together National Schools across the country. There are no second level Educate Together schools and we need Government approval for this to happen.
- Educate Together applied to be a patron of second-level schools in December 2007, but has received no response from the Minister for Education and Science.

Send this postcard to your local TD, MEP, Senator or Councillor asking them to support Educate Together second-level schools.
