Tax Efficient Giving

Educate Together is a registered charity in Ireland (CHY 11816) so you can enjoy tax relief on annual donations of €250 or more and there is no upper limit to the amount you can donate to qualify for tax relief.

Educate Together can claim tax relief on donations over €250 that we receive from Irish tax payers. This allows us to make much more of the contribution you are making to our work. Additionally, individuals who are self assessed for taxation, and corporate donors, can claim a deduction in their tax liability for donations made to support our work.

Donations from PAYE Taxpayers

If you make a donation of €250 and you are on a standard rate of tax (20%) we can turn that into a contribution to our work that is worth €312.50, by claiming taxation associated with your gift of €62.50 from the Revenue Commissioners. If you pay tax at the higher rate (41%), the same donation of €250 will earn us €173.73 from the Revenue Commissioners, making your contribution worth €423.73 in total. We will send you form CHY2 on receipt of your donation.

Self Assessed and Company Donors

A self assessed individual on the standard tax rate (20%) who wishes to donate €500 to Educate Together will find that the donation only costs €400 at year end, because as a self assessed donor you will be entitled to claim tax relief of €100 on your tax return. Similarly, if you pay tax at the higher rate, you will be entitled to tax relief of €205 on the same sum.

If your company donates €1,000 to Educate Together, assuming a corporation tax rate of 12.5%, the relief available to your company is €125. Your company needs to simply claim a deduction for the donation as if it were a trading expense.

Leaving a Legacy

A legacy left to Educate Together is exempt from tax. By leaving a legacy to Educate Together you are reducing the overall tax bill on your estate and getting the most value from your gift.

If you already have a Will, it is easy to make a change to it and include Educate Together. This is called a codicil and can be drawn up by your solicitor.

If you do not have an existing Will, you can contact a solicitor and let them know you would like to make out a Will which includes a legacy to Educate Together. They will advise you on how to do this to best suit your needs and wishes.

All you need is Educate Together's charity number which is CHY 11816. Your legal advisor will do the rest. You do not have to tell us whether you have considered Educate Together in your Will. If you are considering remembering us in your Will, or have already done so, thank you.

THANK YOU FOR YOUR GENEROSITY AND SUPPORT
