Dear Minister,

I am a parent of a child named whose date of birth is

It is my wish that this child be educated in the inclusive ethos of an Educate Together school.

I have become aware that there are no places available in Educate Together schools within a reasonable distance from my home.

Please will you indicate what steps you intend to take immediately to ensure that my rights and those of my child under the Constitution (Article 42, Section 3, paragraph 1) with regard to education are protected? Please will you also indicate to me how I can meet my legal obligations under the Education Welfare Act (2000) in this situation?

I look forward to receiving a response from you within the next 15 working days.

Yours sincerely,
