

Educate Together

# One Day Together 2019!

Educate Together's National Fundraising Day

## Why we fundraise:

While we advocate for greater state support, our current reality is that less than 20% of our work is funded by the government. We therefore rely on generous voluntary donations to:

- Continue to develop the Learn Together & Ethical Education curriculums at primary & second-level & provide free resources & supports to our schools.
- Open new schools so that more families can experience our unique equality-based ethos.
- Advocate for equality in education so that no child will be an outsider in Ireland's schools.

## Will you join us this One Day Together?

There's no shortage of ways you & your workmates can help Educate Together raise much needed funds:

- Fancy Dress/ County Jersey Day/ 'Loud Shirt' Day
- Bake sale or bake-off competition
- Ping-pong inspired game with prizes (ask for details)
- Static cycle challenge (ask local gym for spin bikes)
- Lunchtime yoga session/walk/run
- Quiz night, comedy/open mic night or Karaoke
- Lock-up your boss/escape room challenge.

## About Educate Together

We are a charity & patron body that opens, supports & advocates for equality-based primary and second-level schools. Our ethos is based on active learning & the inclusive values of respect for difference, justice & equality. Our schools are open to all children, are non fee-paying, teach the national curriculum & our unique ethical education curriculum.

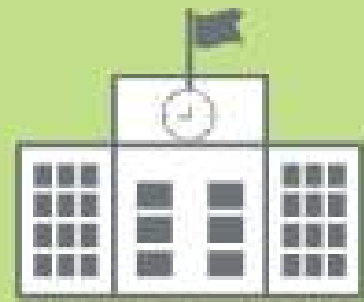

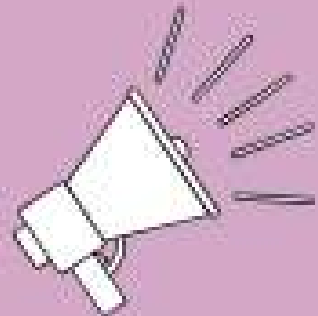

*"Educate Together's inclusion & ability to create a true sense of community among students & teachers are what makes these schools unprecedented & really quite revolutionary."*

*-Oscar nominee, Irish actor, Saoirse Ronan*

## About One Day Together

Once a year we hold a national fundraising day – One Day Together – & ask the Educate Together community to come together to raise money to help us achieve our goal of providing inclusive, equality-based education. Schools, start-up groups, alumni, families & corporate partners up & down the country mark the day with celebrations & fundraisers, all in aid of our charity Educate Together.

## Our reach with your help:

 <p><b>92 Primary Schools</b> <b>17 Second-level Schools</b></p>	 <p><b>30,000+ Students</b> <b>1,250+ School Staff</b></p>
 <p><b>Over 30+ teacher training opportunities annually</b></p>	 <p><b>25 Start-Up Groups*</b></p>
