Suggestions & Considerations

Using a social justice and human rights approach is strongly encouraged.

One such approach may be to select a focus for each month of the school calendar.

The following is a suggested approach focusing on the nine grounds for discrimination:

September: Family Status

October: Racism

November: Ageism

December: Disability

January: Religious Beliefs

February: Membership of Traveller and Roma Communities

March: Gender Equality

April: Social Class

May: Marital Status

June: LGBT+
