Safety and Legal Guidelines

While we are really appreciative of your support, Educate Together cannot organise, supervise or host your fundraising activity. We will endeavour to assist you in any way we can, however we also cannot accept responsibility for any errors or omissions on your part.

Public Collections
You need a permit from the Gardaí to collect funds on the street or in a public place. While the owners of some private properties including pubs and shopping centres may allow collections onsite you should always check with the Gardaí on the need for a permit. Permits may take a few weeks or even months to obtain, so advance planning is necessary.

Raffles & Lotteries
Simple raffles at one-off events usually do not require a license but raffles involving tickets sold in advance may require one. Check with your local Garda station.

Health and Safety
You should ensure that your event is organised efficiently and safely. Ensure that participants are fully briefed about the event, including (where relevant) any risks, fitness requirements, special equipment or clothing required and standards of behaviour expected.

Always check if a hired venue has adequate safety procedures in place; trained first-aid personnel may be required particularly if outdoor venues are used.

Outdoor events may also require you to notify local authorities or to obtain special permissions. Risk assessment reports may be necessary when applying for permission.

Supervision
Ensure that your event is properly and adequately supervised. Where children are attending, this includes:
• Providing proper adult supervision at all times in a safe and secure environment.
• Checking that the child’s parents/guardians have given permission for their child to take part.

Insurance
Consider what insurance cover you need for your event. Owners of venues with public access should have adequate cover in place but certain categories of events demand additional or specified insurance cover e.g. large scale outdoor events, adventure pursuits etc. Additional insurance cover may have to be factored into your budget.

Fundraising Materials and Publicity
All of your fundraising should make it clear that you are fundraising in aid of Educate Together rather than formally acting on behalf of the organisation. You should always check with Educate Together before using our logo in promotional or publicity material. You can find a sample template on our website under the ‘Get Involved’ section.

Transparency
A breakdown of costs and income should be available if members of the public request these details.
